**FIFTY SIXTH ORDINARY SESSIONS OF THE ECOWAS
COUNCIL OF MINISTERS**

Abuja, 12 – 13 June, 2006

FINAL REPORT

ECOWAS Secretariat
Abuja, June 2006

I. INTRODUCTION

1. The fifty-sixth ordinary session of the ECOWAS Council of Ministers was held in the Conference Room of the ECOWAS Executive Secretariat in Abuja, Federal Republic of Nigeria, on 12 and 13 June, 2006.

2. The following Member States were represented:

- Republic of Benin
- Burkina Faso
- Republic of Cape Verde
- Republic of Cote d'Ivoire
- Republic of The Gambia
- Republic of Ghana
- Republic of Guinea
- Republic of Guinea-Bissau
- Republic of Liberia
- Republic of Mali
- Republic of Niger
- Federal Republic of Nigeria
- Republic of Senegal
- Republic of Sierra Leone
- Togolese Republic

3. Also represented were the following Institutions of the Community:

- ECOWAS Parliament
- Community Court of Justice
- ECOWAS Bank for Investment and Development
- West African Health Organisation
- ECOWAS Gender Development Centre
- ECOWAS Youth Development Centre
- Inter-Governmental Action Group against Money Laundering in Africa

4. The list of participants is attached as an annex to this report.

II. OPENING SESSION

5. At the request of its Chairperson, the Council of Ministers observed a minute of silence in memory of Senator Ahmed Tijjani Ahmed, the husband of the Secretary-General of ECOWAS Parliament, who died in a motor accident on Saturday 10 June, 2006

6. In his welcome address, Nigeria's Honourable Minister of Cooperation and Integration in Africa, Senator Lawan Gana Guba, welcomed all participants to Abuja, He reminded the participants that Article 11 of the Revised ECOWAS Treaty provides for two ordinary sessions of Council each year; and that the 56th session was the first of the two sessions to be held in 2006. He observed that consideration of the status of implementation of the Community levy protocol by Member States would reveal the level of commitment of the Member States to the regional integration process on an equitable basis.

7. In his address, the ECOWAS Executive Secretary, Dr. Mohamed Ibn Chambas, also welcomed the participants, and on their behalf expressed sincere gratitude to His Excellency Chief Olusegun Obasanjo, President and Commander-in-Chief of the Armed Forces of the Federal Republic of Nigeria and his Government for the continued support for ECOWAS activities, and for the excellent facilities provided for the mid-year statutory meetings. He also paid tribute to the Chairperson of the Council of Ministers, Mrs Aichatou Mindaoudou, for her important contribution to the management of the affairs of the Community.

8. The Executive Secretary noted that the transformation of the Secretariat into a Commission raises a number of issues that call for careful consideration. The transformation, which must be seen as a logical consequence of the deepening of the integration process in West Africa, entails the enhancement of the supranational character of ECOWAS as an organisation. A greater degree of supranationality must be accorded to the Community if the creation of an economic and monetary union is to advance smoothly. He drew attention to the need for Council to choose one of the proposed options for a system of rotating the positions of Commissioners that would ensure transparency, predictability and equity.

9. Further, he lamented that some Member States were not fully applying the provisions of the protocol relating to the Community Levy, and therefore urged Council to carefully consider the recommendation to compel all member States to strictly apply the provisions of the protocol on the Community Levy.

10. In her opening statement, Mrs Aichatou Mindaoudou, the Honourable Minister of Foreign Affairs, Cooperation, Integration and the African Union of Niger, and current Chairperson of the ECOWAS Council of Ministers, welcomed all participants and noted that the 56th session of the Council of Ministers was crucial to the Community, given the importance of the items on the agenda.

11. The Honourable Minister urged her colleagues to demonstrate a spirit of conciliation and commitment to duty so that their deliberations would take place in a frank and cordial atmosphere, with the sole purpose of moving the integration process forward. She then wished the participants fruitful deliberations and declared open the fifty-sixth ordinary session of the ECOWAS Council of Ministers.

III ELECTION OF BUREAU

12. The following bureau was elected:

- a. Chair: - Republic of Niger
- b. Rapporteurs - Republic of Cote d'Ivoire
- Federal Republic of Nigeria

IV. ADOPTION OF AGENDA

13. The following agenda was adopted after amendments:

1. Opening ceremony

- Welcome address by the Nigerian Minister of Cooperation and Integration in Africa
- Statement by the ECOWAS Executive Secretary
- Statement by the Chairperson of Council

2. Election of bureau

3. Adoption of agenda and work programme

4. Adoption of the report of the eighth extraordinary session of the Council of Ministers

5. Consideration of the final report of the extraordinary meeting of the Administration and Finance Commission

- a) Transformation of the Executive Secretariat into a Commission
- b) Restructuring of the Community Court of Justice

6. Consideration of the final report of the thirty-fifth meeting of the Administration and Finance Commission (Presentation of country reports on the application of the Community Levy by Member States)

7. Consideration of the memorandum of the Executive Secretariat on the administrative situation of the Secretary-General and Deputy Secretary -General of the Parliament

8. Any other business

9. Adoption of report
10. Closing ceremony

V. OUTCOME OF DELIBERATIONS

Item 4. Adoption of the report of the eighth extraordinary session of the Council of Ministers

14. In view of the fact that the aforementioned report was not adopted on 23 March 2006, the day on which the eighth extraordinary session of Council was held, the Chairperson submitted it for consideration and adoption.
15. Council improved the draft submitted to it by making the necessary amendments. The Minister of African Integration of the Republic of Mali expressed a reservation on Council's recommendation that the posts of Parliamentary Secretary and Treasurer should be abolished during the transition period.
16. Furthermore, in view of the fact that there was no consensus on the non-residence of the Speaker of the Parliament during the transition period and pending the election of the members of the Parliament through direct universal suffrage, Council, on the proposal of its Chairperson, agreed to refer the matter to the Authority without any recommendation.
17. The report as amended by Council is attached as an Annex to this report.

Item 5: Consideration of the extraordinary meeting of the Administration and Finance Commission

- a) Transformation of the Executive Secretariat into a Commission
 - b) Restructuring of the Community Court of Justice
 - a) **Transformation of the Executive Secretariat into a Commission**
18. Council considered the report of the extraordinary meeting of the Administration and Finance Commission on the transformation of the Executive Secretariat and the briefing on the transformation process, presented by the Executive Secretariat.
 19. After reminding the Council members that the nine-member Commission principle had been adopted in January 2006 by the Authority of Heads of State and Government, the Chairman of the Administration and Finance Commission pointed out that the deliberations of the Commission had been focussed mainly on:
 - the adoption of a proposed organisation chart defining the functions of the President and the Vice-President of the Commission, the areas of jurisdiction of the seven other Commissioners, the Commission's relations with the other Community institutions;

- the formulation of principles, a methodology and criteria to guide the initial process of the establishment of a rotational scheme for the Commission;
- the definition of four options based on the methodology and criteria adopted;
- the financial implications of the transformation process;
- the Commission's new legal regime;
- the different steps of the transformation process.

20. Thereafter, the Commission proposed to the Council of Ministers to:

- i) recommend to the Authority of Heads of State and Government to allocate the nine Commissioner posts to Member States according to option 2;
- ii) adopt the Commission's organogram as proposed;
- iii) direct the Executive Secretariat to amend the revised Treaty and the relevant protocols, following the transformation of the Executive Secretariat into a Commission, recruit staff in a progressive manner to fill positions to be created as a result of the transformation, strictly adhere to the time-table for the establishment of the Commission and adopt a new legal regime for Community acts.
- iv) adopt the proposed rotational scheme for the allocation of statutory posts within the ECOWAS Parliament and the Court of Justice.

21. The Council of Ministers agreed to consider the proposals contained in the Administration and Finance Commission's report and any other new proposal from its members, taking into account the principles of equity, solidarity, transparency, and the overall situation of representation at the highest level within the entire Community institutions, in order to ensure continuity and the success of the transition between the two steps. Council stressed the need for compliance with the provisions of the Protocol on the Community Levy.

22. The delegation from Senegal raised serious reservations on the principles retained. It was of the opinion that the main criterion should have been the level of application of the Community Levy which clearly demonstrates the commitment of member states to the cause of integration.

23. At the end of the deliberations that ensued on each of the steps on the basis of the aforementioned principles, Council agreed, in respect of the allocation of the first nine Commissioner posts and the post of Financial Controller, to recommend to the Authority of Heads of State and Government to adopt the allocation of the first nine posts and the post of Financial Controller to the following Member States:

Step 1

24. Nigeria which, apart from its important contribution to the Community, also hosts the ECOWAS Executive Secretariat, maintains a permanent presence on the Commission, although the area of competence overseen by the Nigerian Commissioner must change from one mandate to another.

Step 2

25. The Gambia, Ghana, Mali, Sierra Leone, and Togo are occupying statutory posts within the Executive Secretariat. The delegation from Senegal raised a reservation for the following reasons:

- The mandate of Ghana has already expired and was extended for only one year, pending the transformation of the Executive Secretariat into a Commission. For this reason, Ghana should not be included in the list of countries currently occupying statutory posts.
- The decision to allocate posts to Nigeria, Sierra Leone and Togo was not adopted during the 29th Session of the Authority held in Niamey because of the on-going transformation of the Executive Secretariat.

Step 3

26. On the basis of the principles and criteria adopted, Burkina Faso, Cote d'Ivoire, Guinea Bissau, and Niger should be given priority in the allocation of the remaining four posts. It should be pointed out that Cape Verde has been excluded from this list solely on the basis of the Community Levy criterion.

27. At the expiration of the above mandates, posts will be rotated in an alphabetical order on payment of the Community Levy.

28. The allocation of the posts of Financial Controller and nine Commissioners to the Member States referred to above and the fact that Benin currently occupies a statutory position at the ECOWAS Bank for Investment and Development until 2009, will leave the following 4 Member States without a statutory appointee: Cape Verde, Guinea, Liberia, and Senegal.

29. At the end of discussions on the allocation of posts, Cape Verde and Liberia expressed the view that the criteria used were objective and acceptable, but that in the Spirit of solidarity, the specific situation of these countries should be taken into account.

30. Council recommend to the Authority of Heads of State and Government to give priority to the four Member States referred to above in the allocation of the next statutory posts at the expiration of the mandates of the countries occupying the posts.

31. To ensure timely transformation of the Executive Secretariat into a Commission, the Council of Ministers recommend to the Authority of Heads of State and Government to authorise immediate application of the reforms, pending the entry into force of the texts relating to the transformation. The Supplementary Protocols amending the revised Treaty, the Protocol relating to the ECOWAS Parliament, and the Protocol relating to the Community Court of Justice which the Authority is requested to adopt, will comprise provisions which will allow them to enter into force provisionally upon signature.

b) Restructuring of the Community Court of Justice

32. The Chairman of the extraordinary meeting of the Administration and Finance Commission recalled that the fifty-fifth session of the Council of Ministers had directed the AFC to submit recommendations to it on the restructuring of the Community Court of Justice, through the competent technical commission made up of Legal Experts from Member States.

33. At the request of the Chairman of Council, the Executive Secretariat presented the report of the meeting of the Commission referred to above which had been expanded to include representatives of Presidents of Supreme Courts of Member States.

34. The Executive Secretariat indicated that the meeting of Legal Experts had formulated recommendations on the restructuring of the Court that seek to ensure effective realisation of the objectives set out in the reports of the fifty-third and fifty-fifth sessions of the Council of Ministers. The restructuring is expected to:

- i) enable the Judges to concentrate on their core judicial duties;
- ii) provide the Court of Justice with an organisation chart that would enable it to fully discharge its duties;
- iii) harmonise the terms of office in all the Community institutions and include the posts of Judges of the Court of Justice in the general schedule for the rotation of Member States in statutory posts.

35. The Executive Secretariat noted that the main recommendations of the competent technical commission concerned:

- i) the qualifications and experience required by candidates for the post of Judge at the Community Court of Justice;
- ii) the procedure for the appointment of judges;
- iii) the mechanism for handling issues relating to discipline;
- iv) the appropriate organisation chart for the Court and the recruitment plan;
- v) harmonisation of the terms of office of the Judges.

i) Qualifications and experience required by candidates for the post of Judge at the Community Court of Justice

36. Candidates for the post of Judge at the Community Court of Justice must be nationals of the Member States who are persons of high moral character and possess the qualification required in their respective countries for appointment to serve as judges of the Supreme Court or of other courts of similar ranking, or be jurisconsults of recognized competence in international law, particularly in areas of community law and regional integration law. In addition, the candidates must have at least twenty years' professional experience.

ii) Appointment procedure

37. The appointment procedure shall be as follows:

- a) the Judges shall be appointed from among the nationals of the countries to which the posts have been allocated;
- b) the Judges shall be appointed on a competitive basis;
- c) vacancy announcements shall be advertised widely in order to attract candidates from all over the Member States to which the posts are allocated;
- d) the Community Judicial Council made up of the Chief Justices of the Supreme Courts or their representatives not below the rank of a Judge to which the posts have not been allocated shall carry out the selection and interview of the candidates.

iii) Mechanism for handling issues relating to discipline

38. The new mechanism for handling issues relating to discipline shall be the Community Judicial Council made up of Chief Justices of the Supreme Courts of ECOWAS Member States or Courts of similar ranking or their representatives not represented at the Community Court of Justice, and a representative of the Court elected by his peers. The mechanism is expected to prevent arbitrariness, ensure transparency and greater objectivity in the handling of issues relating to discipline.

39. Complaints or allegations shall be forwarded to the Chairman of the Community Judicial Council through the Executive Secretary.

40. Cases of physical or mental incapacity of members of the Community Court of Justice shall also be brought before the Community Judicial Council.

41. The Council shall be an ad hoc body and shall meet as and when necessary to formulate recommendations to the Authority of Heads of State and Government. Its membership shall change whenever new Judges are appointed to the Community

Court of Justice and whenever a new representative of the Court is elected by his/her peers.

iv) **Organogram and recruitment plan of the Court**

42. The organization structure of the Court should ensure a clear separation between its judicial and administrative functions.

43. The bureau of the Court shall be composed of the President, the Vice President and the oldest of the longest serving Judges of the Community Court. The Bureau shall be charged with providing policy guidelines for the preparation of the budget of the Court. It shall have authority over the financial management of the Court and shall delegate this power to the Director of Administration and Finance in accordance with the provisions of the Financial Regulations of the Community. The relevant provisions of the Rules of Procedure of the Court shall be amended to enable delegations of power in a manner that would ensure that the Judges and the Chief Registrar are not directly involved in the day-to-day financial management of the Court.

44. In addition to his duties, the President of the Court shall represent the Court in its relations with other ECOWAS Institutions and with third party entities.

45. In order to ensure continuity in the activities of the Court, and since the Chief Registrar is the institutional memory of the Court, he shall be a professional staff and a career servant of the Court. He shall have the rank of a Director D2 while his Deputy shall have the rank of a Director D1.

46. Recruitments shall be carried out to fill the positions provided for in the organogram and in accordance with a four (4) year recruitment plan.

v) **Harmonisation of the term of office of Judges and inclusion of these posts in the overall rotation plan of Member States in statutory positions**

47. Members of the Court shall be appointed for a term of office of four (4) years, non renewable. Under the internal process to be established by the Judges to ensure the smooth operation of the Community Court of Justice, the term of office of the President and of the Vice President of the Court shall be two (2) years renewable.

48. The post of Judges shall be taken into account in the overall rotation plan for Member States in statutory positions. For the posts that will become vacant in 2007, priority shall be given to the four countries not allocated any position of Commission, namely, Cape Verde, Guinea, Liberia and Senegal.

49. Upon consideration of the report presented on the restructuring of the Community Court of Justice, Council agreed to propose to the Authority of Heads of State and Government to adopt the recommendations of the competent technical Commission and representatives of the Chief Justices of the Supreme Courts of Member States. The functional relations of the organogram shall take into account the

need to hand over the day-to-day financial management of the Court to the Director of Administration and Finance.

50. Council directed the Executive Secretary to formulate proposals for the creation of an escrow account into which funds would be lodged temporarily pending determination of their final destination upon the Court's decisions becoming definitive.

51. Council agreed on the need to establish an appeal structure within the Community of Justice to enable persons who may wish to appeal the decision of the Community Court of Justice. However, given the fact that the volume of cases handled by the court does not justify the establishment of an Appeal Court, Council directed the Executive Secretariat to under take in collaboration with the Court of Justice a study for the establishment of an appellate division in the Court and submit a report to it at one of its next sessions..

Point 6: Consideration of the report of the Thirty-fifth meeting of the Administration and Finance Commission (Presentation of country reports on the implementation of the Community Levy by Member States)

52. This report, which was presented by the Chairman of the Commission dealt essentially with the following issues:

- Presentation and consideration of country reports of Member States on the implementation of the Community Levy;
- Revision of Article 64 of the Staff Regulations, defining the composition of the Management Succession Committee;
- Consideration of the appeal submitted by the former Director of Administration of the Executive Secretariat, Mrs. Tokunbo Lijadu-Oyemade.

53. On the consideration of the national reports on the implementation of the Community Levy, the Administration and Finance Commission requested.

- a. All Member States should implement effectively the protocol relating to the Community Levy.
- b. The Executive Secretariat should set up a management mechanism for the Community Levy and formulate a five-year plan for utilization of the proceeds of the Community Levy. The plan should be focused on projects and programmes.
- c. The Executive Secretariat should discuss the application of the Community Levy to petroleum products, with a view to harmonising the positions of Member States on the issue.

- d. The Executive Secretariat should present to the next meeting of the Administration and Finance Commission a memorandum on objective criteria for granting waivers to Member States which so request.
- e. The Executive Secretariat should make proposals for a review of the decision relating to the sum paid to the Member State holding the Chairmanship of the Authority to defray related expenses.

Furthermore, the Commission recommended to Council to explore the possibility of granting financial assistance to any Member State which will be called upon to hold a Summit of Heads of State and Government of ECOWAS.

- f. The Executive Secretariat should, in collaboration with Member States, identify the obstacles impeding the effective implementation of the Protocol relating to the Community Levy and assist them to find appropriate solutions.
- g. The Executive Secretariat should pay to Member States, on a regular basis, compensations for losses of customs revenue arising from the implementation of the Trade Liberalisation Scheme.
- h. The Executive Secretariat should finalise the study for the establishment of the Solidarity Fund.

54. Council noted with delight that all the Member States have put in place mechanisms for the implementation of the Community Levy. Council therefore endorsed the above recommendations and agreed to submit them to the Authority of Heads of State and Government for adoption, drawing attention to the difficulties involved in the evaluation and calculation of the amount to be paid as compensation.

55. Council further agreed to recommend to the Authority of Heads of State and Government to approve that an appropriate lump sum be allocated annually to any Member State whose Head of State or Government is the current Chairman of the Authority and that a budgetary appropriation be set aside to assist any Member State that hosts the Summit of Heads of State and Government and all other statutory meetings pertaining thereto. The amount involved should vary according to the resources available to the Community.

56. On the revision of Article 64 of the ECOWAS Staff Regulations, Council noted that the objective of the revision was to ensure that all Community Institutions were involved in the recruitment process for P5 and P6 managerial and Directors.

57. The Council of Ministers approved the amendment of Article 64 of the Staff Regulation as proposed by the Administration and Finance Commission.

58. The report of the Commission revealed that it deferred to its next session, consideration of the appeal submitted by the former Director of Administration of the Executive Secretariat because it did not have all the documents relating to the matter.

59. Having noted that the judgment of the Community Court of Justice was yet to be executed, the Council of Ministers directed the Executive Secretariat to pay the salaries due to the former Director of Administration pending its decision on the substantive issue in light of the report to be presented to it by the Administration and Finance Commission. Council directed the Administration and Finance Commission to consider the matter as soon as possible and to submit to it at the next session concrete proposals on the issue.

Point 7: Consideration of the Memorandum of the Executive Secretariat on the administrative situation of the Secretary General and the Deputy Secretary General of the Parliament

60. The Executive Secretary recalled that the memorandum was prepared in execution of a directive of the extra-ordinary session of the Council held on 23 March 2006.

61. He stated that the current Secretary General and Deputy Secretary General of the Community Parliament were appointed to their posts by the Speaker after consultations with the Bureau of the Community Parliament, in accordance with Protocol A/P2/8/94 of 6th August 1994.

62. The Executive Secretary further recalled that the Council of Ministers elevated the posts of Secretary General and Deputy Secretary General to the level of statutory appointees during its forty-ninth session, held in Dakar from 26 to 29 January 2003, and that the regulation of the Council granted this status to the two officers concerned for a period of four (4) years renewable.

63. He indicated that the term of office of these two officers would normally expire in January 2007, and noted that one of the decisions emanating from the restructuring of the Community Parliament related to the conversion of the posts of Secretary General and Deputy Secretary General to professional categories.

64. The Executive Secretary explained that in taking the decision on 23rd March 2006, to convert the posts of Secretary General and Deputy secretary General to professional categories, Council sought to ensure continuity in the activities of the Parliament since the Secretary General and the Deputy Secretary General remained senior officials that are capable of preserving the institutional memory of the Parliament.

65. He pointed out that presently, the Parliament had only limited personnel, that the current Secretary General and Deputy Secretary General were the pioneer occupants of these posts, that prior to their appointments, they had both served the Community as Principal Legal Adviser and Special Adviser to the former Executive Secretary respectively, and that they had been directly involved in the establishment of the ECOWAS Parliament.

66. He indicated that despite the fact that recruitments to professional posts are normally open to competition, it would be beneficial to the Parliament and in the interest of the Community to retain the current Secretary General and Deputy Secretary General in the professional cadre.

67. With a view to ensuring continuity for the Parliament and following consideration of the memorandum from the Executive Secretariat, Council agreed to allocate the position of Secretary general of the Parliament to the Republic of Guinea, which is one of the countries on the priority waiting list of countries eligible for a post of Head of an ECOWAS Institution.

Point 8: Any Other Business

Transfer of the Seat of the Parliament

68. Cote d'Ivoire commended Nigeria which has hosted the Headquarters of ECOWAS and other Community Institutions.

69 It indicated that it will be ready to host the seat of the Parliament as soon as the socio-political situation in the country improves.

70 Council recalled that it was Nigeria that expressed the desire as the host country of the Parliament to give up the seat of the Parliament to any member state that was ready to host it.

71. Council welcomed the proposal and agreed to inform the Authority accordingly.

Granting of Observer status to the AGETIP Network of West Africa

72. The delegation of the Gambia informed Council that AGETIP agencies of West Africa met recently in Banjul and that at that meeting, participants sought to know the status of their application for observer status in ECOWAS.

73. Considering the fact that these agencies handle the development of urban infrastructure within the sub-region, Council directed the Executive Secretariat to speed up the consideration of their application.

Dialogue on Migrations and Development

74. The delegation of Mali drew the attention of Council to the forth-coming holding of a high-level dialogue on migrations and development. Given the gravity of the immigration-related problems currently being experienced by the sub-region, Council deliberated at length on the subject matter and invited the Executive Secretariat to look into the matter and to set up a technical committee to prepare a common position for the sub-region on the matter.

75. The Executive Secretariat informed Council that it had already commenced talks on the subject matter within the framework of the ECOWAS/EU troika meetings.

Organisation of Communities Days in Burkina Faso

76. The delegation of Burkina Faso informed Council that it would organize, from 22 - 25 June 2006, Communities Days for the Communities located in the South of the Country. It invited the other delegations to take part in the event.

Organisation of the Integration Week in Mali

77. The delegation of Mali informed Council that the integration week that it regularly organizes, was held successfully this year in the Kayes region, where the country shares boundary with Senegal, Guinea and Mauritania. The delegation invited the other delegations to undertake similar initiatives.

Status of the negotiation of Economic Partnership Agreements

78. Following exchanges on this subject matter, the Council of Ministers identified some problems that ECOWAS and the other regions and the member states were facing in the conduct of these negotiations. These problems included pressure from the European Union to proceed to Phase II without having completed Phase I, the requirements of compatibility between the EPA and the WTO, the cumbersome nature of the European Union procedures.

79. Faced with such a situation, the Council of Ministers underscored the need to organize up-grading Ministerial seminars for Member States and to do everything possible to arrive at the phase II of the negotiations.

VI ADOPTION OF THE REPORT

80. This report was adopted after amendments.

VII CLOSING SESSION

81. The Chairperson of Council commended the members for their contributions and for the spirit of compromise displayed during the deliberations. Before declaring the meeting closed, she wished the members safe journey to their various destinations.
