Following publication of the original article, the authors flagged that a species was incorrectly named in the Results subsection of the Abstract: instead of '*Rhipicephalus microplus* is known...'; it said '*Rhipicephalus appendiculatus* is known...' The published article [1] has since been corrected. The authors thank you for reading this erratum and apologize for any inconvenience caused.

The original article can be found online at <https://doi.org/10.1186/s13071-023-05801-5>.
