D.A.C.

The matter of the Treaty about making the cession (inruyming) of Fredericksburg, the LODGE at SABO CORSO, and ORSU, by His Majesty of Denmark to their HO. Mo. and this WIC at the expiration of the year 1679, was left in statu quo at the last Assembly, will the Deputies therefore please to come prepared to further consider & decide how and in what manner it would be best & most expedient that the Company shall act about the execution of the Treaty, in due course, and what orders will have to be sent in that regard to the Dir. Gen.

Since an end has now been made to the negotiations with the Royal English African Co. over the matter of the prevention of the Interlopers & "onvrij" merchantmen on either side, on the C. of Africa, the Deputies are therefore requested to come instructed and prepared to "resumeren" that which has been agreed upon, and to ratify it accordingly; and further to resolve what further ought to be done in the matter, from this side.
